**ORDER CONFIRMING DEBTOR'S
AMENDED CHAPTER 11 PLAN OF REORGANIZATION**

This Chapter 11 case came before the Court for consideration of the Amended Chapter 11 Plan of Reorganization (the "Plan") [Docket No. 139] filed by the debtor, Marilyn M. Hollan ("Debtor"). Evidentiary hearings on the matter were held on April 22, 2013 and August 6, 2013.

The Court having: (i) issued an Order on April 10, 2013, (the "Disclosure Statement Order") [Docket No. 106] conditionally approving the Disclosure Statement for the Plan (the "Disclosure Statement") [Docket No. 102]; (ii) conducted the Confirmation Hearing; (iii) considered all evidence submitted with respect to confirmation of the Plan and approval of the Disclosure Statement; (iv) reviewed and considered the Plan, the Disclosure Statement, and the Ballot Tabulation filed on June 4, 2013 [Docket No. 118]; (v) reviewed and being fully familiar with, and having taken judicial notice of, the entire record of this Bankruptcy Case since the commencement of this Bankruptcy Case; and (vi) upon all of the proceedings had before the Court and upon the entire record of the Confirmation Hearing, determined based upon all of the foregoing that the Disclosure Statement should be granted final

approval and that the Plan complies with § 1129 of the Bankruptcy Code, and, as reflected by the Court's rulings made herein and on the record of the Confirmation Hearing;

IT IS HEREBY FOUND AND DETERMINED THAT:

A. This Court has jurisdiction over this Chapter 11 case pursuant to §§ 157 and 1334 of title 28 of the United States Code. Venue is proper pursuant to §§ 1408 and 1409 of title 28 of the United States Code. Confirmation of the Plan is a core proceeding pursuant to § 157(b)(2)(L) of title 28 of the United States Code, and this Court has exclusive jurisdiction to determine whether the Plan complies with the applicable provisions of the Bankruptcy Code and should be confirmed.

B. The Disclosure Statement satisfies the requirements of § 1125 of the Bankruptcy Code and contains adequate information to permit creditors and parties in interest to make an informed decision on whether to accept or reject the Plan.

C. The Disclosure Statement, the Plan, Ballots, and notice of the Confirmation Hearing, were transmitted and served as set forth in the Certificate of Service [Docket No. 107] in compliance with the Disclosure Statement Order and the Bankruptcy Rules, and such transmittal and service were adequate and sufficient, and no other or further notice is or shall be required.

D. The principal purpose of the Plan is not the avoidance of taxes or the avoidance of the application of Section 5 of the Securities Act of 1933.

E. Notice of the Confirmation Hearing and the solicitation of votes on the Plan complied with the terms of the Disclosure Statement Order, was appropriate and satisfactory based upon the circumstances of the Debtor's Chapter 11 Case, and was in

compliance with the provisions of the Bankruptcy Code, the Bankruptcy Rules and the Local Rules.

F. The Debtor and her attorneys have solicited acceptances of the Plan in good faith and in compliance with the applicable provisions of the Bankruptcy Code.

G. The Claims and Interests placed in each Class are substantially similar to the other Claims or Interests, as the case may be, in such Class. Valid business, factual, and legal reasons exist for separately classifying the various Classes of Claims and Interests created under the Plan, and such Classes do not unfairly discriminate between holders of Claims and Interests. Thus the Plan satisfies §§ 1122 and 1123(a)(1) of the Bankruptcy Code.

H. The Plan specifies that Classes 1, 2, and 3 are unimpaired under the Plan and that Classes 4 through 30 are impaired under the Plan, thereby satisfying §§ 1123(a)(2) and 1123(a)(3) of the Bankruptcy Code.

I. The Plan provides for the same treatment by the Debtor for each Claim or Interest in each respective Class unless the holder of a particular Claim or Interest has agreed to a less favorable treatment of such Claim or Interest, thereby satisfying § 1123(a)(4) of the Bankruptcy Code.

J. The Plan complies with the applicable provisions of Chapter 11 of the Code, thereby satisfying § 1129(a)(1) of the Bankruptcy Code.

K. The Debtor, as proponent of the Plan, has complied with the applicable provisions of the Bankruptcy Code, thereby satisfying § 1129(a)(2) of the Bankruptcy Code.

L. The Debtor has proposed the Plan in good faith and not by any means forbidden by law, thereby satisfying § 1129(a)(3) of the Bankruptcy Code. The Plan was proposed with the legitimate and honest purpose of maximizing the value of the Debtor's Estate for the benefit of creditors and other parties in interest.

M. Any payment made or to be made by the Debtor for services or for costs in or in connection with this Bankruptcy Case has been, or will be, approved by, this Court as reasonable, thereby satisfying § 1129(a)(4) of the Bankruptcy Code.

N. The Plan has been accepted by all Classes of Claims and Interests in the Plan in accordance with § 1126 of the Bankruptcy Code.

O. The treatment of Administrative Expenses, Priority Non-Tax Claims, and Priority Tax Claims under the Plan satisfies requirements of §§ 1129(a)(9)(A), (B) and (C) of the Bankruptcy Code.

P. Classes 1, 2 and 3 were unimpaired or ineligible to vote. The Plan was accepted by Classes 12, 17, 18, 19, 20, 29 and 30, all of which are impaired classes. Section 1129(a)(10) of the Code is thus satisfied.

Q. Classes 4, 5, 6, 7, 8, 9, 10, 11, 13, 14, 15, 16, 21, 22, 23 and 24 did not accept the Plan. However, as previously determined, the Plan provides each of the creditors in the Non-Accepting Classes will either (i) retain their liens and receive cash payments totaling at least the allowed amount of such claims, or (ii) realize the indubitable equivalent of their secured claims. The Plan is thus fair and equitable with respect to the dissenting or non-voting classes and may be confirmed pursuant to 11 U.S.C. § 1129(b).

R. The Debtor reached agreement with Classes 4, 5, 13 14, 15, 16, 25, 26, 27 and 28 for treatment of their claims, as set forth more fully below, which such treatment is substantially consistent with the treatment of those claims under the Plan and which will not materially impact the feasibility analysis set forth in the Debtor's Disclosure Statement.

S. The value attributed to the collateral securing Classes 4, 5, 6, 7, 15, 16, 21, 22, 23 and 24 was adequate under the Plan and that the treatment of those classes was fair and equitable, thereby allowing for confirmation of the Plan over the objection of these classes under 11 U.S.C. § 1129(b).

T. The Debtor's projected income is sufficient to fund the Plan, and that income appears stable. The Court thus finds that the Plan is feasible, and confirmation of the Plan is not likely to be followed by the liquidation, or the need for further financial reorganization of the Debtor. Section 1129(a)(11) is satisfied.

U. All fees payable under 28 U.S.C. § 1930 have been paid or the Plan provides for the payment of all such fees on the Effective Date of the Plan. Section 1129(a)(12) is satisfied.

V. The Debtor does not maintain a retirement plan. Section 1129(a)(13) is therefore inapplicable.

W. The Debtor is not required to pay any domestic support obligation. Section 1129(a)(14) is therefore inapplicable.

X. With respect to 11 U.S.C. § 1129(a)(15), no holder of an allowed unsecured claim has objected to the proposed distributions to unsecured creditors. Section 1129(a)(15) is not therefore implicated.

Y. The modifications announced in open Court do not materially alter the Amended Plan of Reorganization served April 17, 2013, and such modifications do not impact feasibility of the Plan. It is not necessary therefore that the Debtors re-solicit acceptances or rejections of the Plan.

Z. The provisions of the Plan, including the releases contemplated by the Plan, are necessary, appropriate and consistent with the applicable provisions of the Bankruptcy Code.

AA. As required by Bankruptcy Rule 3016(a), the Plan is dated and identifies the Plan proponent.

BB. The Plan is feasible.

CC. Confirmation of the Plan is not likely to be followed by the liquidation, or the need for further financial reorganization of the reorganized debtors.

DD. The Plan is fair and equitable with regard to its treatment of impaired and dissenting creditors.

EE. All United States Trustee fees have been paid or will be paid thereby satisfying § 1129(a)(12) of the Bankruptcy Code.

ACCORDINGLY, IT IS ORDERED:

1. The Disclosure Statement is approved.
2. The Plan, a copy of which is attached hereto as **Exhibit A**, is confirmed as modified in paragraphs 3 through 12 below.

pre-confirmation periods and simultaneously file with the Court the appropriate financial report indicating the cash disbursements for the relevant period.

Claims, suits for avoidance and recovery of preferences or fraudulent transfers, and suits for equitable subordination of Claims;

Notwithstanding the treatment of Claims as specified in Article VIII above, the Debtor reserves the right to surrender, in complete satisfaction of the Creditor's Allowed Secured Claim, her interest in any Collateral pledged to a Secured Creditor who timely files an election to have its Claim treated in accordance with § 1111(b) of the Bankruptcy Code. The Debtor shall make the abandonment election at the Confirmation Hearing. The surrender shall be accomplished, at Debtor's election, through a deed in lieu of foreclosure or through consent to a foreclosure judgment, with the Debtor maintaining

the right to occupy, utilize or lease the subject property through the date title is actually transferred.

Article XII

This Plan shall constitute a motion to value secured claims pursuant to § 506 of the Bankruptcy Code. Unless otherwise agreed or determined by the Bankruptcy Court, the Allowed Secured claim of each Secured Creditor shall be the amount(s) set forth in Article VIII above. A Creditor wishing to challenge the Debtor's valuation of its Secured Claim must request a valuation of its Secured Claim by written motion filed at least 10 days prior to the Confirmation Hearing, whereupon the Bankruptcy Court will hold an evidentiary hearing to determine the value of such Creditor's Collateral. The Debtor reserves the right following such valuation hearing to amend this Plan to surrender or abandon any Collateral whose value is determined to exceed her estimate of value.

Article XIII

Means of Implementation

The Plan will be funded through the continued rental and sale of her property. Though various avoidance actions may be pursued, funding of the Plan is not dependent on recoveries from avoidance actions. Distributions to creditors shall be handled internally by Debtor; no disbursing agent will be appointed.

Article XIV

Modification of the Plan

Debtor may propose amendments or modifications of the Plan at any time prior to confirmation, with leave of the Bankruptcy Court and upon such notice as the Bankruptcy Court may require. After confirmation, Debtor may, with approval of the Bankruptcy Court, and so long as it does not materially or adversely affect the interests of creditors, remedy any defect or omission, or reconcile any inconsistencies in the Plan, or in the Confirmation Order, in such manner as may be necessary to carry out the purposes and intent of the Plan.

Any payment or distribution required to be made hereunder on a day other than a Business Day shall be due and payable on the next succeeding Business Day.

15.2 Prepayment. The Debtor expressly reserves the right, in her sole discretion, to prepay, in full or in part, any obligation created pursuant to the Plan, and no interest shall accrue with respect to the prepaid portion of such obligation from and after the date of such prepayment. The Debtor may apply for a discharge upon fulfillment of her obligations to Class 30 General Unsecured Creditors.

Article XVI

Transfers for Estate Planning Purposes

For liability and estate planning purposes, it may be necessary or advisable for Debtor to transfer her interests in her prepetition rental properties to one or more limited liability companies, family partnerships, trusts or foundations. Any such transfer shall not constitute a default under the Plan or any prepetition loan document, nor shall such transfer give rise to a right of acceleration or right to demand payment under any prepetition loan document, this Plan or the Bankruptcy Code.

Article XVII

Maintenance of Causes of Action

Unless expressly waived or released by the Debtor, Debtor shall retain any cause of action, including but not limited to avoidance or recovery actions under §§ 542, 543, 544, 545, 547, 548, 549, 550, 551, and 553 of the Bankruptcy Code, or may litigate any other causes of action, rights to payments, or Claims that may belong or have belonged to the Debtor. Persons subject to a successful avoidance action may file a Claim, as appropriate, within such time as is established by the Bankruptcy Court.

Except as expressly provided herein, nothing shall affect the Debtor's rights and defenses, both legal and equitable, with respect to any claim including, without

limitation, all rights against Claims, and the Debtor's failure to object to such Claims in the Chapter 11 case shall be without prejudice to the Debtor's right to contest or defend against such Claims in (i) any appropriate non-bankruptcy forum, or (ii) the Bankruptcy Court.

Article XVIII

Conditions Precedent to Occurrence of Effective Date

The Effective Date shall not occur unless and until the following conditions have been satisfied or waived by the Debtor (a) the Confirmation Order shall have been entered, in form and substance acceptable to the Debtor; and (b) the Confirmation Order shall have become a Final Order.

Article XIX

Discharge, Release and Effect of Confirmation

Upon completion of all payments to Class 30 General Unsecured Creditors under the Plan, the Debtor will receive a discharge of all pre-confirmation debts, whether or not the creditor files a Proof of Claim, accepts the Plan, or has an Allowed Claim, except as provided in § 1141 of the Bankruptcy Code.

Upon entry of the Confirmation Order, all property of the Estate will vest in the Debtor pursuant to § 1141(b) of the Bankruptcy Code, subject only to the liens and security interests held by the lenders identified in Classes 4 through 29, but free and clear of any and all other liens and encumbrances to secure the payment or repayment of any sum of money or the performance of any obligation.

Payments of, distributions to, and other treatment of the Claims of all creditors provided for in the Plan shall be deemed to be in complete satisfaction, discharge, and release of such Claims. Any default by the Debtor with respect to any Claim that existed immediately prior to or on account of the filing of the Chapter 11 case shall be deemed cured on the Effective Date.

Pursuant to § 522(c) of the Bankruptcy Code, all property which is exempt on the Petition Date shall not be subject to the Claims of creditors holding prepetition Claims against the Debtor.

Except as otherwise provided herein, all creditors shall be permanently enjoined and precluded from asserting against Debtor, or any of Debtor's assets, any other or further Claim against Debtor or any of Debtor's assets based upon any act or omission,

transaction, or other activity of any kind or nature that occurred prior to the Confirmation Date. Except as expressly provided herein, Debtor shall not be liable for any post-confirmation Deficiency Claims on account of any prepetition Claim. Nothing herein shall be construed as a release of any rights or obligations under the Plan or as an injunction against any action to enforce any rights or obligations under the Plan.

Following confirmation, Debtor shall be entitled to purchase property, incur debt or engage in any investment or business activity which she deems appropriate without the necessity of obtaining Bankruptcy Court approval or modification of the Plan. Any income earned by the Debtor following the entry of the Confirmation Order shall not be deemed property of the Estate.
